

Dear Parents,

June 13, 2017

We are very happy and lucky to be able to perform at the Huntington Beach High School Historic Auditorium. The theater has strict rules of decorum in regards to maintaining the cleanliness of the theater.

The following rules are established by the theater and Huntington Beach Unified High School District.

- 1) No food or drinks inside the theater at any time.
- 2) No photography or videotaping by unauthorized personnel for copyright and liability reasons.
- 3) No costumes inside carpeted seating area of theater (Due to the sequins and glitter - virtually impossible to remove from seats and carpeting.)
- 4) During stage rehearsals all dancers and parents must be in backstage designated areas. You will not be allowed inside theater to watch the rehearsal (again due to liability and custodial issues)
- 5) Please arrive a half an hour before your show. The theater is closed until then.

Thank you for respecting all the rules of the theater and the historic beauty of our Huntington Beach Theater.
