

2019 NUTCRACKER

We are excited to present our 43rd annual production of The Nutcracker. It is a fun family tradition that our dancers enjoy year after year. Anthony and I are looking forward to a good strong production this year and are excited to get started!

Absences on Saturday are not permitted – Leaving early is considered an absence.

Company is very large this year and the Nutcracker cast for company is small.

If you are unable to commit to the rigorous training and all Saturday rehearsals (MUN conferences accepted) do not participate. One absence in case of illness of course will be accepted.

Plan school functions, dinners, parties accordingly.

If classes are missed performance and/or roles will be reduced.

Company Members are required to attend 5 technique classes each week, 2 pointe, 3 flat. Make-ups for absences must be done in other classes. There is no exception to above technique requirements

\$100.00 performance fee for entire BRT season (Fall, Nutcracker, and Spring) due by Sat. Oct. 4th, 2019
